Udder is outstanding and production is steadily rising with each lactation. Panama is out-milking most of her herd companions although one of the smallest does in the herd. An easy favorite around here for her gentle personality and will to milk!

Contessa is a powerful doe with an amazing fore udder! So excited to have this doe go BOB at the state fair!! Looking forward to be better freshening (single and didn’t come into milk well) and see what she can do!

2018 Contessa had a false preg. and is milking through. 18 months fresh didn’t stop her taking 2nd place in the Western Idaho Fair Parade of Past Champions!

2019 5 yr old Contessa took RCH placing under her sister Roxanne!

Such a flashy doe! Roxanne placed RCH Jr. Alpine at only 3 months old, and again as a dry yearling!

2018 super excited to have Roxanne take GCH/BOB/BUB, earn her *M, and make High Point Milking Alpine! Spectacular udder on this doe.

2019 Roxanne took another GCH win!
Penelope is an eye catcher! Flashy dry yearling, she won Best of Show at her very first show!

2018 Penelope made it to RCH out of 38 and earned a leg!!
