Extreme depth of body to this young doe. Udder is extremely well attached and has amazing fore udder extension. Very excited to have to at the top of a very competitive class as a FF 2yr old milking for 11 months!

2018 Tap Dancer is on DHI

Very impressed with the style of this doe. Not super large, but smooth blending, flat boned, with a lovely top line and mammary.

*Dam - Two Years Old*

Love the sharpness of this doe! Very tall and long, with great depth of body.

Whisper freshened in the fall with mastitis/no milk on one side. She's milking well on her good side and shows promise of having a fantastic udder in the future.

Caramel is a beautiful large dairy buck and his young daughters are showing great promise. Caramel has a pedigree loaded with some fantastic animals, including a granddam who has been on the top 10 list multiple times for milk and butterfat! Dam has placed extremely well with Best in Show/Best Udder wins!
